We are starting with Bologna in the meantime. EPA chief of staff is online too.

[REDACTED] has indications from MoE that all of the events may be held at FICO Eataly World <http://www.caab.it/it/arriva-f-i-co/> This would be good in that there would only be one site visit, but bad, because it looks like a pretty unwieldy place. I'm not positive all of FICO is open yet. Would Scott be able to be the site officer and also meet the advance team?
